**SEXIEST ROOFTOP POOL**  
**HOTEL GANSEVOORT,**  
**NEW YORK CITY**

How do you make a Manhattan honeymoon as steamy as the seductive Gotham of *Sex and the City*? Slip on an Eres bikini and press the elevator's Up button to the Gansevoort's rooftop pool, where the din of the worker bees on the sidewalks feels far away, and the glorious skyline comes into focus. On weekends, the adjacent bar fills up with beautiful people; on weekdays, the place is yours. Order cocktails and relax in a round, rattan daybed big enough for two. Even Carrie and Big never had it this good. Doubles from \$435, including breakfast (low season); 877-426-7386; [hotelgansevoort.com](http://hotelgansevoort.com).—S.E.
